Please answer all questions I find that the hint offered by word chums scores more points than the current version of snap cheats for word chums.I would like 3 different words offered. Like, highest scoring word, average scoring word, interesting common word. That way our opponents don't feel beat up on every game.Currently, since the original app upgraded their software, the word supplied by cheats is not the highest scoring word, but usually scores more points than the average player. It would be stellar to offer lower scoring words, but offer multiple words. Thanks for the feedback! Millions of people love to play their favourite Word Chums Word game. They enjoy challenges created in making crosswords. In the word chums game, players receive a series of letters that they have to place on the gameboard. They will score points for each and every word and also score a bonus by playing bonus spot or using challenging letters Q and X. Players can throw challenges on their friends or random opponents. Its feature is every player gets to choose a customized chum to present them. When players' level is going up and earning points, they are allowed to buy items to decorate their characters and unique background for their chums. How to Play Word Chums Game? Players have to follow these steps to play the word chums game for the first time. Firstly, you have to download the Word Chums game app from Google Play. Set Up: The first set-up is similar to anagram word games. You can see a blank board and receive a collection of consonants and vowels. You can make use of those tiles to represent a letter. Game Play: After placing words on the board, up and 4 players can finish the online play. They can build on existing words or place words on open parts of the board. Scoring: Here scoring is a combination of letter scores and word placement. Players can leap ahead by placing words on the double or triple score square. The highest score holders will win the match. XP's, Coins and Leveling Up: Players' personal chum is another part of the gameplay. The more you play, the more experience points you will gain. You will receive an XP for every word score point. By earning enough XP's, you can move to the next level. The game board gives coins for every level up. Another simple way to earn points is by watching ad videos. Hints and Bombs: It is so simple to read the end while you are playing an anagram game. These hints and bombs are the important sources of Word Chums game. A hint is helpful to build a word from the existing letters and shows the most profitable place to play it. A bomb will help you when you are left with no options. It removes all letters from your collection and replaces them with a new set. Players can buy extra hints and bombs with their coins. How to Use Word Chums Cheat?
